

Shooting Star

Which performance on your show do you think was a stand-out this year?

Steve Burton (Jason): "I think Julie Marie Berman (Lulu) is a fantastic actress. I really do. She's really young to be so good. I haven't told her yet!"

Greg Vaughan (Lucky): "Julie Marie Berman (Lulu). It was a hard role to take. What she's done has given so many multiple layers to her character. Her colors are so beautiful. She is a very, very mature individual, which is very refreshing for her age. She's a lovely little lady."
